No Data: Data not available.

[1] The data on materials and packaging covers only the businesses under OR's management, including OR-branded products, which consist of the following business groups:

- Liquefied Petroleum Gas (LPG) Business
- PTT Lubricants
- Café Amazon

[2] The data for 2022–2024 includes an expanded scope of data collection for plastic packaging, specifically lubricant oil gallon containers. This results in an increase in the reported plastic packaging volume and affects the percentage of recyclable plastic packaging.
