Remarks :

N/A (Not Applicable): There is no relevant to the operations of OR.

No Data: There is no data in the reporting year.

[1] Scope of packaging material data covers activities within OR's management control, namely OR branded product, including the following business:

- PTT LPG Cylinder
- PTT Lubricants
- Café Amazon

[2] The data for 2022-2024 includes an expanded scope of data collection for plastic packaging, specifically lubricant oil gallon containers. This results in an increase in the reported plastic packaging volume and affects the percentage of recyclable plastic packaging.
